

Olita PTA Mission & Goals

The mission of the Olita Elementary PTA is to *support* our school's efforts to provide a quality academic experience for our children by providing activities and programs that enhance the joy and well-being of our students and staff in a way that compliments and enriches their learning environment.

Our goals to achieve our mission include:

Promote and support the educational needs of Olita students with enrichment programs

Provide financial support for Olita's extracurricular programs

Promote positive communication between the PTA and Olita teachers/staff to foster a partnership working to support our students

Acknowledge the efforts of students, staff and volunteers

Strongly encourage parent involvement through volunteering, family activities and events and PTA meetings

Improve communication between PTA and our families and community by promoting the many information resources available (flyers, banners, auto-calls, Remind App, Facebook, monthly meetings and this new website!!)

Achieve our fundraising goal of \$40,000

100% PTA Membership

Increase attendance at our PTA Associative Member meetings

Promote our new website and enroll as many parents, teachers and community members as possible so that they always have access to information on PTA activities and events

Encourage and strengthen community relationships not only between Olita staff, students and families, but also with the greater surrounding community

Communicate and share our accomplishments with our families, district and greater community

Effectively plan and execute activities and events with the help of parent volunteers and by fostering organization and cooperation
